REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art discloses a driving apparatus having a shaft, a first damper and a second damper attached to the shaft. However, the prior art fails to show, in combination with the invention and in light of the specifications, that the first damper has a first hub as a center of rotation, a rubber material attached to the first hub and a first inertia member attached to the rubber material and the second damper has a second hub as a center of rotation having a magnetic force, a second inertia member having a magnetic force and rotatably fitted into the second hub and a material provided between the second hub and the second inertia member to transmit a driving force from the second hub by a friction force to the second inertia member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Julio C. Gonzalez whose telephone number is (703) 305-1563. The examiner can normally be reached on M-F (8AM-5PM).
